Dear Ms Walsh

LOGOV EXPO 2002 - WEBSITE UPGRADE

I would like to take this opportunity to thank New Enterprise Technologies for performing the recent upgrade of the Logov Expo website, www.logov.net.

At a recent Steering Committee meeting, I was requested to forward an official acknowledgment to you to convey our appreciation of the professional, enthusiastic and helpful manner that representatives from your company have provided in this regard.

All feedback on the upgraded website has been positive and we look forward to a continued business relationship with you!

Yours faithfully
